

PASS PLUS

LIST OF PARTICIPATING INSURERS AND AGENTS

The following insurance companies have indicated that they are supporting the Pass Plus scheme and offer a one step progression on their discount scale for comprehensive third party fire and theft, and third party policies when insuring a Pass Plus candidate's own car.

The one step progression can be deferred for two years if a Pass Plus candidate currently drives under someone else's policy, providing no claims are made within the intervening period.

The Driving Standards Agency recommends that Pass Plus candidates wait for their Pass Plus certificate before applying for their insurance.
